

Hello Families,

Included in this envelope you will find Registration paperwork for R.E. this Fall along with schedules and other pertinent information.

As stated in my email our classes will not begin this year until October 7th or October 14th depending on whether your child is in Group A or Group B. The groups are set up according to classroom space, class size ETC. It took some work to plan since obviously I needed to keep family members on the same night. **For that reason and to keep group size equal, I am unable to move any students from one group to another at this time.**

There are sanitizing procedures I need to complete after each class is finished. Therefore, any room that is used during the early session **will not** be used for late session class. **The Loft and Gym are also currently off limits.**

If you have a student in 7th grade or older there is info on Community Service hours ETC.

If you are the parent of an 11th grader/ Confirmation student, you will receive their schedule in a separate mailing. Confirmation students will meet Sunday mornings also beginning in October. We will meet once per month.

We could use one or two volunteers to help with door monitoring at both the early session and the late session, please email me if you can help. We have two wonderful volunteers that have been doing this for years so it would be nice to give them a break.

Finally, because of the need for small groups based on room size the students will only be receiving 14 hours of in class instruction. The Archdiocese typically encourages a minimum of 24 hours. At the end of each class students will receive an assignment to complete on their off week. It will not be complicated, and I am hopeful that all assignments can come back with the students at their next class which is two weeks later.
